Urban

Piccoli elementi monocromatici di materia abrasa e logorata dal tempo.

Colori densi e stratificati che evocano l'artigianalità del gesto manuale.

La collezione Urban si compone di rettangoli 5x15 in cinque colorazioni neutre - THE SOFT - e undici tinte più decise che rimandano ad atmosfere industriali e urbane.

Ciascuna colorazione, concepita per essere utilizzata singolarmente o in abbinamento, si presenta a sua volta con differenti finiture e texture per un risultato naturalmente disomogeneo in cui l'imperfezione diventa valore aggiunto.

Small monochromatic elements of material worn and frayed by time. Dense, layered colors that evoke the artisanal character of the hand's movement. The Urban collection is made up of 5x15 / 1,96"x5,90" rectangles in five neutral coloration – The Soft – and eleven, more decisive hues that recall industrial and urban atmospheres. Each coloration, ideated to be used alone or in conjunction with others, appears in its own way with different finishes for a naturally distinct result in which imperfection becomes an added value
